When the absence is more than three (3) working days, the employee shall be required to file a physician's certificate stating the cause of the absence.

An employee waiting for disability payments under the Workers Compensation laws may use accumulated sick leave in order to maintain his/her regular income until disability payments begin.

The City reserves the right to order a physical examination at City cost to determine the fitness of an employee to continue on active duty after a period of sickness or disability. If the City requires an employment physical examination, the City shall present a list of three physicians from which the employee shall have the right to choose one.

A medical doctor's written verification of illness or injury may be required by the Employer for substantiation of an illness or injury.

Days when an employee may be absent him/herself from the work place will be determined by the employee and the Department Head. Emergency leave is non-reimbursable if not taken, and non-accumulating. Additional time may be granted, at the sole discretion of the Department Head, and will be deducted from sick

leave.

Funeral Leave

Emergency funeral leave of up to five (5) days with pay may be granted to all regular full-time employees in the event of death in the immediate family (parent **or spouse's parent**, spouse, child, brother or sister). Up to three (3) days with pay of emergency leave may be granted to all regular full-time employees in the event of death of the employee's grandparents, grandchildren, ~~mother-in-law, father-in-law~~, brother-in-law or sister-in-law for attendance at the funeral and other necessary related functions.

Regular full-time employees may be allowed up to four (4) hours off with pay to attend the funeral of a City employee, a retired City employee, or friend. The need for continuing essential services and emergencies may limit the number of employees who may attend a funeral. The Department Head shall decide on the amount of time actually required for funeral attendance up to four (4) hours and the number of employees who may attend the funeral. Employees who act as pallbearers for any deceased person whose funeral takes place during work hours may also receive four (4) hours off with pay.

Military Leave

A full-time employee may be granted a military leave of absence for a period up to thirty (30) days with pay as prescribed by Section 29.A28 of the Code of Iowa. The Employer will pay the difference between the military pay and what the employee would have received if working.

Jury Duty/Legal Leave

An employee required to serve as a juror shall receive his/her regular wages. In order to receive payment for such duty, the employee must submit cancellation of service and assign all fees to the Employer. When released from duty during working hours, the employee will report to work immediately.

Leave of Absence Without Pay

The Employer may grant a permanent or probationary employee a leave of absence without pay and benefits, not to exceed ten (10) working days. Leaves of absence for a greater period of time, within a calendar year, must be approved by the Council. No such leave shall be granted except upon written request of the employee setting forth the reason for the request. Failure to return to work on the first scheduled day after the leave of absence shall constitute cause for termination of employment.

An employee on unpaid leave of absence for over ten (10) days shall not be eligible to accrue benefits such as holiday pay, retirement credit, vacation or sick leave credits during the period of the leave. An employee shall not accumulate seniority during an unpaid leave of absence.

In the event an employee is on the active payroll for the major portion of any month, the City shall continue its normal participation for insurance premiums for the entire month. However, if the employee is on an unpaid leave for the major portion of a month, that employee shall be responsible for paying the full monthly premium, provided the employee is otherwise eligible for such insurance coverage.

writing at any time, in accordance with state law, and the Employer agrees to deduct the regular monthly Union dues of such employee from his/her pay and remit such deduction by the fifteenth (15th) day of the succeeding month to the official designated by the Union in writing to receive such deductions. The Union will notify the Employer in writing of the exact amount of such regular membership dues to be deducted.

The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this Article.

ARTICLE 12 HOURS OF WORK AND OVERTIME

The purpose of this Article is intended to define the normal hours of work, and shall not be construed as a guarantee of hours of work per day or days of work per week. Determination of daily and weekly hours of work shall be made by the Department Head. The normal workweek shall consist of five (5) days, including eight (8) hours of work.

During an employee's normal shift, the Employer will normally grant thirty (30) minutes unpaid time for lunch and two (2) fifteen (15) minute paid rest periods.

Employees of the Waste Water Department are required to work two (2) hours minimum on both Saturday and Sunday, on a rotational basis. The employee may work additional time if needed. Saturday and Sunday shifts will be rotated among all capable and qualified persons. The same employee will work both Saturday and Sunday in any given week.

Those employees not working the Saturday and Sunday shifts will work eight (8) hours per day Monday through Friday.

Overtime

Overtime shall be paid for at the rate of time and one-half (1/2) the employee's straight time hourly rate for hours worked in excess of forty (40) hours in any workweek, or for all hours worked on an employee's scheduled day off, except for employees in the Parks and Recreation for funerals, which will be at the employee's straight time rate for the first four (4) hours, then any time over that four (4) hours will be paid at the rate of time and one-half (1/2) on Saturdays and all hours on Sundays for Parks and Recreation will be at time and one-half (1/2).

An employee called in to work during his/her vacation shall be paid time and one-half (1/2) their regular rate of pay for all hours worked. An employee called in outside of their normal work scheduled hours will be paid a minimum of two

(2) hours at the rate of time and one-half (1/2) their regular rate of pay. Employees making routine checks will not be paid at time and one-half (1/2) unless they have worked over forty (40) hours.

The current practice of assigning overtime by seniority or rotation will be continued by the department heads.
